NATURE OF TOUR: Participants are strongly discouraged from joining the Tour in progress or leaving the Tour prior to its conclusion. Portions of the Tour could be considered rustic and rigorous and are best approached with a spirit of openness and adventure. Portions of the Tour are at higher elevations and in remote locations, at which there may be no telephones or means of rapid evacuation in the event of emergency. Portions of the Tour may involve lengthy periods of standing, sitting, climbing stairs, hiking/trekking, or walking on unpaved surfaces. Each participant is advised to consult with his or her medical specialist prior to departure and must advise the Tour Organizer in advance in writing of any condition that may require attention during the tour, so the participant, with the assistance of the Tour Organizer, can make the necessary arrangements. Participants with a disability requiring special assistance are advised that the Americans with Disabilities Act is not applicable outside of the United States and facilities outside the United States for disabled individuals are limited, if available. Persons requiring assistance must be accompanied by a companion who is capable of and responsible for providing all the assistance needed (normal Tour rates apply for the companion). On a Tour of this nature, it is necessary for you to abide by the authority of the leader, who represents the Tour Organizer. The decision of the leader as to the conduct, itinerary and objectives of the tour is final. Signing our Tour Participant Agreement signifies your agreement to this. If in the opinion of the leader your behavior or physical condition is detrimental to the safety, welfare and well-being of you and/or of group as a whole (which are the paramount considerations), or if (in consultation with the trek medical person, if there is one) the leader considers your general well-being will be put at risk by continuing with the pilgrimage, you may be asked to leave the tour without the right to any refund.

Smoking is not permitted in motor coaches or other vehicles, at meals, in hotel or guesthouse rooms or buildings. Use of illicit drugs is strictly prohibited. Smoking is only permitted in a designated outside area. Violation of these policies is subject to immediate dismissal from the Tour.

The nature of the Tour may be suitable for minor children accompanied by a parent or legal travel guardian. Please inquire for details.

HEALTH AND FITNESS REQUIREMENT: You must be in good health and physical condition to participate on the Tour. If you have a pre-existing condition which is not well controlled and has required medical intervention in the past 24 months or are over 70 years of age, you must have your doctor complete a medical form to certify you as fit to participate. If you suffer from severe muscular, chest, heart, sight, hearing, or bronchial disorders, or if you are a severe asthmatic, or have high blood pressure, you are strongly advised against participating. The Tour takes place in remote areas where there is little or no access to normal medical services or hospital facilities for serious medical problems. Evacuation, where necessary, can be prolonged, difficult, and expensive. Medical and evacuation expenses will be your responsibility. The Tour Organizer reserves the right in its absolute discretion to refuse a participant the right to participate in a Tour on medical or fitness grounds.

MEDICAL DISCLOSURE: You declare and warrant that: you are in good health and mental and physical fitness at the time of booking this tour; you have disclosed to the Tour Organizer every matter concerning your health and mental and physical fitness of which you are aware, or ought reasonably be expected to know, that is relevant to the Tour Organizer's decision to

permit you to go on a Tour; immediately upon any adverse change in your health or fitness that may be likely to affect the Tour Organizer's decision to permit you to go on a Tour you will notify the Tour Organizer in writing of any such adverse change; Tour Organizers are permitted to disclose medical information to our consultant doctor; the Tour Organizer's consultant doctor may exclude you from a tour if he/she deems it necessary. You acknowledge that the obligation to disclose under this condition continues from the time of booking the excursion through to the departure and extends for the duration of the excursion. If you fail to comply with the duty of disclosure in this condition and if the Tour Organizer would not have permitted you to undertake the excursion, or continue participation of the excursion, had you made full disclosure under this condition, the Tour Organizer will not be liable, except to the minimum extent required by law, for personal injury, death or property damage or loss incurred by you.

ASSUMPTION OF RISK: You acknowledge that: by the very nature of international travel and trekking excursions, they are more challenging and demanding with a commensurately higher level of risk compared with conventional holidays or excursions, and involve potential exposure to injury and possibly death; and in the countries and regions in which international travel is undertaken, standards of accommodation, transport, health care, hygiene, safety and service provision generally are often not as high as those standards in your country of residence and may require flexibility and patience on your part; and operational control of the tour may be in the hands of a third party and that your right of action in regard to any shortcomings of that third party's performance is against the third party and not against the Tour Organizer; and the additional dangers and risks associated with international travel may include difficult and dangerous terrain; high altitude; extremes of weather, including sudden and unexpected changes; political instability; remoteness from normal medical services and from communications; and evacuation difficulties in the event of illness or injury; and you have submitted your booking for the excursion after giving due consideration of relevant travel information including, without limitation, any relevant information or advice given by the governments of those countries to which we will be traveling and the US Department of State and that it is your responsibility to acquaint yourself with that information or advice, for the above reasons you, therefore, accept the inherent and increased dangers and risks associated with the proposed international excursion and the accompanying risk of injury, death or property damage or loss.

PHOTOGRAPHS/VIDEO: Representatives of the Tour Organizer will be photographing and video recording the Tour. The Tour Organizer reserves the right to use any such photographs and video recording in its advertising, displays, publicity materials, and publications without obtaining further consent from any participant. Each participant releases the Tour Organizer and its representatives from any liability in connection with any such use of such photographs and video recording.

RELEASE/RESPONSIBILITY: The participant, by signing this Tour Participant Agreement (TPA), agrees that the Tour Organizer and its representatives, except for their gross negligence or willful misconduct, shall not be held liable for any injury, damage, loss, delay or irregularity that may be occasioned for any reason, including, but not limited to, any defect in a vehicle, the acts or default of any company or person engaged in conveying a participant, acts of God, terrorism, acts of war, or detention; delays or expenses arising from quarantine, strikes, thefts, pilferage, force majeure, civil disturbances, government restrictions or regulations; accidents by aircraft, boat, bicycle or motor vehicle, or in any hotel, inn, restaurant, accommodation or camp; failure of any means of transportation to arrive or depart as scheduled or changes in

transit, hotel, inn, guest house or camping services; missed airline or other transport connections; or for additional expenses resulting from changes in exchange rates, tariffs, or itinerary. The participant agrees to assume all risks associated with the Tour and agrees that no liability will attach to the Tour Organizer, its employees or agents, or to any member of the Tour in respect of death, personal injury, illness or delay of the passenger, or for any loss of or damage to the property (including luggage) of the participant during the course of the Tour, howsoever caused.

By signing this Tour Participant Agreement, the participant releases the Tour Organizer and its representatives from any such responsibility or liability, except as herein above set forth.

The liability of common carriers is generally limited and, therefore, it is suggested that participants purchase their own cancellation, property damage (including luggage), accident, and medical treatment/emergency rescue insurance.

The Tour Organizer reserves the right to accept or reject any Tour participant at any time, without liability, and in the event it determines, in its sole and exclusive discretion, that a participant is not suitable for the Tour or is disruptive to the harmony of the Tour it may dismiss such participant from the Tour without any obligation to pay a refund or any other amount whatsoever. The Tour Organizer may exclude any dismissed participant from future offerings. The Tour Organizer will have no responsibility or liability for any participant who leaves the Tour prior to its conclusion or for any activity undertaken by any participant which is not included on the Tour itinerary.
