

# STRIPE - TEASE

Textiles – Wallpapers – Accessories

“The STRIPE TEASE collection embellishes an all classic decorative element and parades an unseen stylization by fusing photography with the latest graphic technology. Stripes are versatile and elegant, whether tone-on-tone or bright and bold. They become classics when they are the same width, transformed into a modern adaptation when the width becomes random. They have the power to reshape a room, put spaces in order, and can add a crisp, polished element to a space. Best of all, stripes mix beautifully with solids, florals, and other patterns meaning they can be used just about anywhere.

Classic, Simple, preppy, bright, skinny, urban, vibrant, energizing, calming, alluring, luxurious; re-defining the Zeitgeist of Interior design. “
