

Benefiting a Unique Local Non-Profit

**BACKPACKS
OF LOVE**

*The mission of **Backpacks of Love** is to eliminate hunger in school-age boys and girls in Central Virginia by providing food for their weekends.*

Proceeds from this charity tournament will benefit Backpacks of Love, Inc. (BPOL), a 501(c)3 non-profit organization founded in 2011 in Powhatan VA.

Imagine leaving school on Friday and not having another meal until returning to school on Monday. That's the reality for a growing number of hungry children in the communities we serve. The backpacks often provide food not only for the kids in the program, but their siblings as well.

Each week, volunteers prepare backpacks filled with "ready-to-eat" foods and produce to ensure that area kids have food over the weekends. Working with teachers and guidance counselors at each school to identify those children in need, backpacks are delivered to the schools each Thursday and sent home with the children on Fridays. Each week, faculty and staff discreetly place the weekend food packs in the lockers of each child served by the program.

Since its inception in 2011, BPOL has distributed over **80,000 backpacks**, which equates to over **500,000 meals** provided to children in Powhatan, Buckingham, Chesterfield and Cumberland Counties. BPOL currently delivers over **1000** backpacks weekly throughout these communities. BPOL currently delivers to Powhatan, Cumberland, Buckingham, Amelia, Chesterfield, Goochland and Henrico Counties.

BPOL can only achieve these goals through the generous donations of our community and hopes that you will support our efforts. **100% of the proceeds for the charity tournament go directly to purchasing food and supplies for the students' backpacks.** Learn more at www.backpacksoflove.org
