\*conversion to DMC provided

\*Please be aware they will give a different effect and substitutions are not exact, but only a suggestion

ornament finishing template

## Need a finishing tutorial?

Find a finishing tutorial on my website under "Tutorials". Follow the instructions for the Peppermint Lane ornament. It's a different shape, but the process is just the same!

Need more pictures? Use the tutorial for the Woolly Fobs. Again, the process I use is just the same for ornaments or fobs.
