36 count	14 1/2" x 1 3/4"
40 count	13" x 1 5/8"

NOTES Model stitched 1 over 2 on 32 count linen.

FINISHING NOTIONS Backing fabric: Poppy Field by Dear Stella Fabrics.

Stuffed with wool roving.

I did a couple of additional versions of this design. The little flowers are so much fun to stitch...I couldn't stop! :)

I did a half version (middle pic) on 32 ct. WDW Linen and I omitted the bees, stopping after the delphinium (which is basically halfway). This is stuffed with crushed walnut shells.

I did another version that I combined with The Queen Bee #OH1265 (bottom pic). I stitched this on 36 ct. WDW Dove linen. It's stitched in 3 rows. I stitched the first half of Pollinator's Garden for the top row. The Queen Bee is the middle row, then the second half of Pollinator's Garden is the bottom row. I left 3 stitches between each row. I made one color substitution. I used GAST Pine in place of Little Sprout. It's finished as a pillow and stuffed with polyfil. It finished at about 5 1/2" tall by 7" wide.
