

ornament template

Using Ornament Template provided cut as follows:

Cut 1 from matte board or foamboard for front.

Cut 1 from thin cardboard for back.

Cut 2 from thin quilt batting for front & back.

Cut 1 from cotton quilting fabric of choice for back, adding 3/4" all around.

Use template to trim around finished piece, adding 3/4" all around, and centering the design before trimming.

Lace back using the gathered method.

Lace front by pinning and lacing.

Add hanger.

Sew front and back together, wrong sides facing.

Add trim and enjoy!
