

LINGUA FRANCA

It all started with a stitch – literally. No grand plan, no big idea. One weekend I was just looking to burn off some anxiety and turned to embroidery (a craft my grandma Rita taught me when I was a young girl in Nebraska). I picked up an old cashmere sweater, a needle, and thread and LF was born – a subversive underground movement to counteract the forces of mass production, mindless consumerism, and the patriarchy. Just kidding (kind of). Today, Lingua Franca is a line of sustainably-sourced, fair trade luxury cashmere sweaters, all hand-stitched by women in NYC.

STYLE 002

Inspired by our favorite vintage Pringle of Scotland sweaters, this style features a loose body with a banded waist and cuff. 100% cashmere.
