

Labour of Love

MAKER RESIDENCE

Are you looking for new ways to get your products in front of customers? Do you need a physical space to compliment your online store – a place where buyers can experience your products?

If so, our new **Maker Residence** may just be the spot for you! It's a dedicated physical space that caters to makers, artists and independent businesses who want to add a physical presence to their online store.

Maker Residence lives inside our retail space, Labour of Love. It has long been recognized for curating a unique collection of handmade accessories and gift items. It's a go-to destination for thoughtful gifts and events in the GTA and we've worked hard to grow our customer base and following.

Maker Residence's complete turn-key service allows you to focus on what you love to do – create and design – while we manage marketing and sales. The space offers ready-to-go display fixtures and the team delivers sales, in-store marketing and building relationships with customers. Whatever your product requires – from product care instruction to fitting and even facilitating custom orders – we've got you covered.

You can read testimonials from vendors we've collaborated with [here](#).

PROGRAM PERKS
