

# Software Programmer

JOIN THE MPSTOOLBOX TEAM!

**Title:** Software Programmer

**Company:** MPSToolbox

**Location:** Kingston, Ontario

**Status:** Full Time (37.5 hours per week)

## Job Description:

MPSToolbox requires an additional software developer to join our growing team. The successful candidate should have a solid foundation in software development with experience in basic HTML programming. Reporting to the Director of Product Development, you will work closely with the marketing team to migrate existing websites from existing platforms into the Shopify e-commerce platform. Your excellent communication skills both written and oral are vital to our continued success.

## Qualifications:

*The following skills would be beneficial:*

- PHP (Zend certified would be great)
- MySQL
- Basic Linux shell commands
- Regular expressions
- Version control systems (like Git)
- Unit testing
- Cloud computing frameworks such as AWS
- Bootstrap CSS framework
- JavaScript and jQuery
- Scrum is considered an asset

## Experience:

- 2+ years experience in software development

## Work Hours:

- Monday - Friday 8:30 am to 5:00 pm  
with a 1 hour lunch break

## Company Profile

MPSToolbox was founded in 2010 by Laura Kittner and Norman McConkey, who have successfully founded, grown and managed multiple technology, marketing strategy, and media companies. Today, MPSToolbox has a diverse group of clientele in both Canada and the United States. MPSToolbox focuses on building digital marketing strategies for Business to Business (B2B) organizations. We are certified Shopify Experts and have built over 100 e-commerce websites and develop Shopify Apps for the close to 500,000 Shopify e-commerce websites online today.

## Why MPSToolbox?

We're a fun group of people who love what we do and take pride in our work. Every member of our team is trusted with great responsibility and given the opportunity to grow and learn every day. Our company is also continuing to expand and new opportunities continue to arise—meaning if you're up for a challenge and enjoy a fast-paced work environment with a great group of people—this could be an exciting next step in your career development.
