USAGE

Please do not take apart or exchange any component except where marked in the user manual.

Please do not submerge the product in water or any liquid. This product is not waterproof.

If product does come into contact with water please disconnect and cease use until properly checked. Continued use may cause a fire or electric shock.

During installation/use/disassembly please make sure that hands are dry to avoid damage to you and the product.

Do not expose the product to heat sources or fires directly.

Keep away from strong magnetic forces as these can cause the product to become non operational.

TROUBLESHOOTING

If your devices cannot be recognised or are not functioning as expected

· Please check if the USB/ Jack Ports are damaged both at the computer
  and on the device.

·Make sure the USB/ Jack are fully inserted into the correct port.

·Check your computer settings are correct.

·Disconnect and reinsert; Restart your computer.

If the above cannot solve the problems, please contact your retailer.

PRODUCT WARRANTY

Thank you for your interest in the products from Orzly. This Limited Warranty applies to physical goods, and only for physical goods, purchased from Orzly (the "Physical Goods").

What does this limited warranty cover?

This Limited Warranty covers any defects in material or workmanship under normal use during the Warranty Period. During the Warranty Period, Orzly will repair or replace, at no charge, products or parts of a product that proves defective because of improper material or workmanship, under normal use and maintenance.

What will we do to correct problems?
Orzly will either repair the Product at no charge, using new or refurbished replacement parts.

How long does the coverage last?
The Warranty Period for Physical Goods purchased from Orzly is 365 days from the date of purchase. A replacement Physical Good or part assumes the remaining warranty of the original Physical Good or 365 days from the date of replacement or repair, whichever is longer.

What does this limited warranty not cover?
This Limited Warranty does not cover any problem that is caused by:
·Exceeding the Expiry Date of service and free maintenance period.
·Breakdown or malfunction caused by improper use/maintenance/
 storage not in accordance with the manual instructions.
·Breakdown or malfunction caused by other maintenance agency
 without our authorisation.
·No seal or information of the distributor shows on the Warranty
 Card.
·Unauthorised alteration of the Three Guarantees.
·Failure or damage caused by force majeure such as natural
 disasters.
·Failure or damage caused by human factor (such as operation
 error, collision, inappropriate input voltage, etc.)
·Failure or damage caused by other non product design,
 technology, manufacturing, quality and other issues

What do you have to do?
To obtain warranty service, you must first contact us to determine the problem and the most appropriate solution for you.
