Don't want the word of God in a cold museum
Don't want it stuffed in a dusty dead display
Don't want dried up bones hanging from the ceiling
Don't want to look and then shrug and just walk away

CHORUS

[SPOKEN] The word of God is living and active

Sharper than a double edged sword

Double edged sword

Double edged sword!

Double edged sword

Double edged sword!

The word of God is living and active

Sharper than a double edged sword

Don't want the word of God in a zoo exhibit
Safe in a cage with the glass and the bars of steel
Sleeping in the sun like a great big harmless pussycat
As if the teeth and claws weren't really deadly real

CHORUS

I want the Word of God like a crack of thunder

Mighty as an earthquake

Wild as a hurricane

Trembling bare before the God who's spoken

You know that

Jesus, Lion of Judah is his name

CHORUS

You can't tame it

You can't chain it

The word of God is living and active

Sharper than a double edged sword

[SPOKEN] Sharper than a double edged sword
