

EVERYWHERE ITS CHRISTMAS

Brightly coloured paper

Underneath a tree

People turning back to

Find their families

A table on a back porch

A gentle evening breeze

And through a window lights upon a tree

Chorus

And everywhere it's Christmas

And what did you receive

A visit from a loved one

A kiss on Christmas eve

And somewhere on an altar

A single candlelight

And everywhere it's Christmas day tonight

Refrain

Orana to Christmas Day

Orana to Christmas Day

Orana to Christmas Day tonight

A child is singing carols

On someone's radio

A letter from a lost friend

from long long ago

somebody is sitting

in a room alone

remembering old Christmas days at home

Chorus

Refrain
