

## FATHER CHRISTMAS SHOWED ME HOW TO YODEL

I took a trip to the North Pole  
'Cos I heard they love to sing  
I heard that Santa and his elves  
love to go a-yodelling  
I found them in the toy factory  
Singing all the while  
And I asked them to show me  
Their special yodelling style  
Chorus  
Father Christmas showed me  
How to yodel-ay-ee-oo  
Yodel-ay-ee-oo, yodel-ay-ee-oo-oo-oo  
They sang "Merry Christmas"  
With a "yodel-ay-ee-oo,  
Yodel-ay-ee-oo and a  
Happy New Year to you!"  
They sang Summertime Blues &  
They yodelled Jailhouse Rock  
They knew all of Blue Suede Shoes &  
Rock Around The Clock  
He could croon a gentle ballad,  
He could really sing the blues  
But boy you shoulda heard him sing  
His yodelay-ee-oo  
They yodelled Jingle Bells and  
They yodelled Deck The Halls  
Frank Ifield, Mary Schneider  
Man they knew them all  
Swiss yodels, Aussie yodels  
Bush Ballad too  
They sang all their yodels  
with a yodel-ay-ee-oo  
But Santa really knocked me out  
And blew the elves away  
When he started yodelling stuff  
That he'd heard on Triple J  
He did Regurgitator and  
A bit of Silverchair  
He stage-dived in the mosh pit  
There was yodel everywhere
