

## HE'S THE AUSSIE SANTA

He drives a ute with a big V8  
He's the Aussie Santa  
He's everybody's mate  
He's the Aussie Santa  
He's the fat bloke in the Akubra  
With the Blunnies and the dusty grin  
And he'll roll through town this Christmas  
And the bush folks all love him

Chorus

Cos he's the Aussie Santa - hey hey hey  
He's the Aussie Santa - ho ho ho  
He's the Aussie Santa - look at him go  
He's the Aussie Santa  
He's caught barra in the Kimberley  
He's the Aussie Santa  
He's been a ringer up at VRD  
He's the Aussie Santa  
He's driven road trains right  
Through the West  
But he still loves his Christmas gig the best  
He's not so big on the "ho ho ho"  
He says "On ya Digger, wad'ya know?"  
He's got the ute choc  
Full of Christmas cheer  
And he hits the Outback every year  
He's got a load of prezzies  
And it's his shout  
He'll make sure the bush kids  
Don't miss out
