

Hang On To Jesus

Stewie the koala
Cuddled up to his Mum
In the very tallest branches
Of a great big squiggly gum
And though the wind was blowin
And it was a long way down
Stewie hung on to his Mummy
Safe and sound

Hang on to Jesus
Hold on to the truth
Hang on to Jesus
No matter what you do
Hang on to Jesus
He loves his children so
His grip is strong
So just hang on
He'll never let you go

Well Maddy the baby bilby
Snuggled in the pouch
Of her mummy bilby
So she would not fall out
That busy bilby mummy
Scurried everywhere
With Maddy snuggle in her pouch
In her care

Now you've seen possums
Eating blossoms
High as high can be
Or lots of hungry fruit bats
Nibbling on their tea
Or a scaly old goanna
Climbing up a tree
Those animals sure
Hold on tight
And so should we
