CHORUS

*Here comes God's Word our God
has spoken
Come now to hear with your heart
wide open
The prophets, apostles and Jesus,
his Son, God's revelation.
Light of the nations, here comes
the wonderful word of God
Letters and papers and books
pass away
But the word of the Lord is
everlasting
Ev-ver-last-ing, ev-ver-last-ing,*

CHORUS

Perfect and trustworthy, radiant
and right
Treasure the truth that's firm forever.
Firm-for-ever! Firm for-ev-er!

CHORUS

How can we stay on the path that
is pure?
By living according to God's
commandments
God's com-man-ments! God's
Com-man-ments!

CHORUS. ...

He comes the wonderful...
Here...comes...the...won...derful
word of... God!
Cha, cha, cha!
