

Jesus Rose To Pray

One of the times we read about Jesus praying alone is in Mark 1:35.

Early in the morning
Jesus rose to pray
Early in the morning
Before the light of day
He left the house and went alone
To bow before his Father's throne
Early in the morning
Jesus rose to pray

He could cast out demons
He calmed the wind and waves
He could make the dead alive
He had the power to save
The Son of Man, the Prince of Peace
Came to God upon His knees
As early in the morning
Jesus rose to pray

Early in the morning
Will you come to pray
Let the Father hear your voice
Early every day
Follow Christ, God's precious Son
Will you do as He has done?
When....
Early in the morning
Jesus rose to pray
