Mary sat with Jesus
She was not like her sister
Cranky Martha did her jobs
With no one to assist her
Jesus said to both of them
“Well, you just faced a test -
Martha chose the good
But Mary chose the best.”

CHORUS

There's the good
There's the good
And there's the best
There's the best
Live by faith
Live by faith
Take the test
Take the test
Pray for help
Pray for help
When you're stressed
Leave the good
Leave the good
Choose the best
Choose the best

It's good to weed the kitchen
There are always beds to mow
It's good to dust the chickens
Tick the jobs off as you go
But Jesus wants our hearts and minds
His Word is good and true
Put Jesus at the very top
Of everything you do

CHORUS

I got so much to do...

I've got to
Polish the guinea pig
Vacuum my nose
Concrete the groceries
Cook up my clothes
Shampoo my homework
Paint my cat blue
Walk my gorilla
Practice kung fu
How can I serve God when I have
Still so much to do.....

CHORUS

Ask your great and
Heavenly Father
Make you Mary
Not a Martha
Don't be angry
If the shoe fits
Choose the Lord
And not the do list
(If you're a) fusser
Or a fretter
Take the plunge and
Choose the better AND...
Pray for help
Pray for help
When you're stressed
Leave the good
Leave the good
And choose the best
Choose the best
Leave the good
Leave the good
And choose the best!
Choose the best
