

More Like Jesus

1. He was his Father's faithful Son
His love for God, it was number one
He lived the truth every single day
Lord, I want to love you that way.

CHORUS

*More like Jesus,
More like him,
Ask the Lord to make you more like Jesus.*

2. He loved the outcast and the despised
Spoke the truth without compromise
He ached for a world that groaned in sin
Lord, I want to be just like him.

CHORUS

3. He faced the anger of his enemies
His God was who he lived to please
He took up the cross in his Father's name
If we follow Christ, we're to do the same.
