Not quite time
For the horsey dance...

Open your ears to God's Word
Open your ears
Open your ears to God's Word
Open your ears
We need to put our hope in
The word our God has spoken
So make sure your ears are open
Open your ears

Not quite time
For the horsey dance...

Open your mind to God's Word...

Not quite time
For the horsey dance...

Open your heart to God's Word...

Not quite time
For the horsey dance...

Open your life to God's Word...

Now it's time...
To do the Horsey Dance

Open your ears...
Open your mind...
Open your heart...
Open your life...
