### CHORUS

The apostles were Jesus' witnesses

They boldly spoke God's Word

In Jerusalem

Judea

Samaria

And everywhere

Now Jesus got his witnesses

Right across the world

In Jerusalem at Pentecost

The Holy Spirit came

And people from many nations

Saw the power of Jesus Name...

*Jesus' Name...*

### CHORUS

In Judea and Samaria

The Spirit made them brave

And when the church were scattered

Many more were saved...

*More were saved...*

### CHORUS

The message kept on spreading

Cos the Word of God is true

And if you believe the apostles' teaching

Well you should spread it too...

*Spread it too...*

### CHORUS
