Well if you love the Lord  
You could sing and shout  
And if you love the Lord  
You could dance about.  
But if you love the Lord  
Well you'd better obey  
'Cause you got to do what the Lord  
say.

## CHORUS

*You got to do, wack-a-do, wack-a-do  
You got to do what the Lord say  
You got to do, wack-a-do, wack-a-do  
You got to do what the Lord say*

Well if you love the Lord  
Sometimes you glad  
If you the love the Lord  
Sometimes you sad  
If you love the Lord  
Well you'd better obey  
'Cause you got to do what the Lord  
say

## CHORUS

Well Jesus laugh  
And Jesus cry  
Jesus hurt  
And Jesus die  
But he rose from the dead  
'Cause he obey  
You know, he always do what the  
Lord say.

## CHORUS
