

Small stoves for small spaces

## about us

Salamander Stoves is a small, family run company specialising in the design and manufacture of our highly efficient and well-built, small, cast iron stove, the Hobbit. This is a small but powerful stove, suitable for a wide range of applications and interiors. The Hobbit stove is both EN and DEFRA APPROVED by Gastec Ltd. UK.

Our philosophy is simple; to provide a top quality, well-designed product at a competitive price, backed up with excellent customer service and a 5 year warranty
