

**LAKE BREEZE**  
LANGHORNE CREEK

## 2015 Section 54 Shiraz

The Follett family have been grape growers on the famed Bremer flood plain at Langhorne Creek for over 120 years.

This classic, full flavoured shiraz was created using a combination of old vine fruit and careful winemaking.

Maturation for 18 months in French oak has helped create a rich, velvety textured wine showing plums, dark berries and chocolate characters.

A concentrated wine which can be enjoyed now or cellared until 2023.
