Whether you're a novice in the kitchen or someone who channels Gordon Ramsay whenever you put on an apron, I've got a class that will make you want to scream "Yes Chef!" Through totally-immersive experiences, I guarantee that you will come to know the authentic taste of Singaporean and Asian cuisine.

Upon arrival, tea or drinks will be served. After receiving instructions on how to cook and what to cook, everyone gets their hands greasy. The hands-on cooking class is followed by a sit-down meal and pleasant conversation. And sometimes the cat comes over to say hello. If he is in the mood! All classes are hands-on and all ingredients are provided. Transfers are included and you will be pick-up & drop off at your hotel.
