### A UNIQUE ROUNDED DESIGN

Modern and vintage at the same time, the APOGEE190DZ aging cellar breaks the codes by concentrating the best characteristics of both trends. Its rounded shape recalls the universe of vintage & retro, a real current trend, and combines perfectly with modern codes to perfect and distinguish your interior decoration.

### TAKE CONTROL OVER YOUR WINES

Equipped with a remote control function, control, from the Vinotag® application, the parameters of your wine cellar (temperature, lighting, alarms), are adjustable remotely and at any time, from your smartphone.

### SPOTLIGHT ON YOUR WINES

Highlight your bottles thanks to its integrated lighting system under the shelves. This system allows you to light up your entire wine cellar. Store up to 181 bottles on its 5 wooden shelves; removable and multi-format, they are specially designed to accommodate several types of bottles (Alsacienne, Bourgogne, Champenoise) and adapt to your needs (3 shelves bottle to neck loading + 2 shelves horizontal loading).

### AGING CELLAR COMMITMENTS

The APOGEE190DZ aging cellar reproduces the storage conditions of a natural cellar: Temperature controlled by an electronic thermometer; Filtration and aeration system (activated carbon filter); Hygrometry controlled between 50 and 80%; Protection against light and anti-vibration system guarantee the good aging of your bottles.

## Eco-responsibility

Our products are manufactured in compliance with European environmental rules. Especially, refrigerant fluid (R600a) doesn't reject neither CFC nor HFC and respect environment.

Energy consumption is calculated based on the result obtained for 24h in standard test conditions. The actual energy consumption depends on the conditions of use and location of the device.

This equipment is designed to be used in an ambient temperature between Néant.

This appliance is intended to be used exclusively for the storage of wine.

Alcohol abuse is dangerous for health, please consume in moderation.

\*Capacity given as an indication with 75cl Bordeaux traditional type bottles and measured with shelves. Adding shelves reduce considerably the total capacity.

\*\*Thanks to the Vinotag® application, benefit from a digital register of your wine cellar and be alerted of the peak dates of your wines. In partnership with Vivino, scan your bottle to access its pre-filled wine sheet.

## APOGEE190DZ

Double zone ageing and service temperature wine cellar
