#### DESIGN AND PERFORMANCE

Modern and compact, the COLLECTION protects your wines with its tempered glass door and enhances your bottles with interior LED lighting. Its All Black look with flat hinge and its fully glazed door make it a real decorative object.

#### TO THE NEAREST DEGREE

Bring your wines to tasting temperature to take full advantage of all their aromas. Its exterior digital control panel prevents unwanted temperature movements inside the cellar. Store your wines on its sliding wire shelves; ergonomic, they are specially designed to accommodate your 75 cl Bordeaux-type wine bottles; removable they adapt to your needs.

#### WINE SHOWCASE

Equipped with 5 sliding shelves and 1 fixed, the COLLECTION wine cellar allows easy handling of your bottles while the horizontal presentation of the wines makes it easier to read the labels and identify the bottles.

## Eco-responsibility

Our products are manufactured in compliance with European environmental rules. Especially, refrigerant fluid (R600a) doesn't reject neither CFC nor HFC and respect environment.

Energy consumption is calculated based on the result obtained for 24h in standard test conditions. The actual energy consumption depends on the conditions of use and location of the device.

This equipment is designed to be used in an ambient temperature between 16°C-38°C.

This appliance is intended to be used exclusively for the storage of wine.

Alcohol abuse is dangerous for health, please consume in moderation.

\*Capacity given as an indication with 75cl Bordeaux traditional type bottles and measured with 1 shelves. Adding shelves reduce considerably the total capacity.

\*\*Thanks to the Vinotag® application, benefit from a digital register of your wine cellar and be alerted of the peak dates of your wines. In partnership with Vivino, scan your bottle to access its pre-filled wine sheet.
