

## Vino Series - 1 bottle Vino Rails

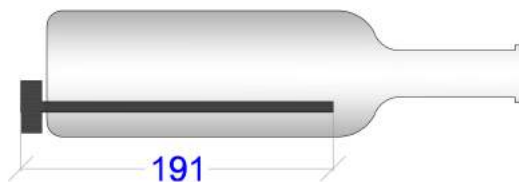

Item	Height	Depth	Capacity	Width
VR (no collar)	105mm Minimum	178mm	1 bottle	105mm Minimum
VRC (with collar)		191mm		

Vino Rails - VR - no collars

Vino Rails - VRC - with collars

Vino Series starter sets include hardware for wood and solid wall surfaces.  
 For plasterboard, cavity and similar installations we recommend  
 the optional collars (cavity hardware included).  
 Collars will add 13 mm to the overall depth
