

# DRY ICE ENCLOSED

## IMPORTANT: PLEASE READ CAREFULLY!

In addition to ice packs, this package was shipped with a small amount of dry ice to maintain proper temperature control during shipping. The dry ice will mostly likely have sublimated but should any dry ice be visible upon arrival, please note these basic handling instructions:

### DRY ICE HANDLING INSTRUCTIONS

- **KEEP DRY ICE AWAY FROM CHILDREN!**
- Dry ice has a surface temperature of  $-78^{\circ}\text{C}$  or  $-110^{\circ}\text{F}$ . Improper handling of this product may result in frostbite or injury.
- **DO NOT** put dry ice in your mouth or ingest as severe injury may occur.
- **DO NOT** contact dry ice directly with skin. If necessary, use leather gloves to handle unwrapped dry ice.

### DISPOSAL

- **Allow any remaining dry ice to sublimate or evaporate to the atmosphere in a well-ventilated area where no build-up of carbon dioxide vapor can occur.**
- **DO NOT** attempt to dump unused dry ice.
- **DO NOT** dispose of dry ice in sewers, sinks or toilets.
- **DO NOT** dispose of dry ice in garbage receptacles or garbage chutes.
- **DO NOT** dispose of dry ice in areas accessible to the general public.
