Shelf Life Statement:

Spectra Colors Corp. states that FDA certified color additives are considered good indefinitely as long as the original seal is in tact, the original label is still in tact and legible, and the container is in good condition and has not been compromised. Keep all opened containers tightly sealed, in an area that is secure, clean, and with ambient temperatures.

USE STATEMENT;

Foods, Drugs & Cosmetics - in amounts consistent with current Good Manufacturing Practice. In Drugs & Cosmetics - including those intended for use in the area of the eye. The name of the color additive MUST appear on the label of the final product.

This is a representative sample CoA. Results may vary slightly from different batches and lots.

WARRANTY, DISCLAIMER OF WARRANTIES AND LIMITATIONS OF REMEDY: SPECTRA COLORS CORP. makes every effort to assure that the information herewith enclosed in this transmission is accurate and current, to the best of our knowledge. Beyond the scope of these claims, Spectra Colors makes no promises as to the performance of our products in our customers finished applications; neither can we anticipate end-use characteristics. Likewise it is the end-user's responsibility to assure that Spectra Colors dye products are in compliance with all local, federal and global regulations regarding the storage, the use and the disposal of these same dye products. Spectra Colors Corp. provides these materials for informational purposes only and does not hereby make any express or implied warranty regarding merchantability, fitness for a particular purpose, regulatory compliance, or any other matter.
