Library Products

This PYTHA 3D CAD library contains replaceable drawer parts from the **Blum TANDEMBOX antaro** series.

These are commonly used items that you can drag and drop into your own projects. They are fully customisable and you'll be piecing your projects together in no time.

This library is available in two different styles (Manufacture and Designer). The only difference between the styles is that the Designer style does not contain the 'My Holes' for use with 'Workshop'. All items are supplied in PYTHA file format (.pyo)

1. Library Product Listing (Standard Drawers)

1. Drawer – height 'N' (BLUMOTION)

Tandembox Antaro 358N400mm 30kg		
Tandembox Antaro 358N450mm 30kg		
Tandembox Antaro 358N500mm 30kg		
Tandembox Antaro 358N550mm 30kg		

2. Drawer – height 'M' (BLUMOTION)

Tandembox Antaro 358M270mm 30kg	Tandembox Antaro 358M450mm 50kg	Tandembox Antaro 358M450mm 65kg
Tandembox Antaro 358M300mm 30kg	Tandembox Antaro 358M500mm 50kg	Tandembox Antaro 358M500mm 65kg
Tandembox Antaro 358M350mm 30kg	Tandembox Antaro 358M550mm 50kg	Tandembox Antaro 358M550mm 65kg
Tandembox Antaro 358M400mm 30kg	Tandembox Antaro 358M600mm 50kg	Tandembox Antaro 358M600mm 65kg
Tandembox Antaro 358M450mm 30kg	Tandembox Antaro 358M650mm 50kg	Tandembox Antaro 358M650mm 65kg
Tandembox Antaro 358M500mm 30kg		
Tandembox Antaro 358M550mm 30kg		

3. High fronted pull-out gallery – C – M drawer side (BLUMOTION)

Tandembox Antaro 358MC270mm 30kg	Tandembox Antaro 358MC450mm 50kg	Tandembox Antaro 358MC450mm 65kg
Tandembox Antaro 358MC300mm 30kg	Tandembox Antaro 358MC500mm 50kg	Tandembox Antaro 358MC500mm 65kg
Tandembox Antaro 358MC350mm 30kg	Tandembox Antaro 358MC550mm 50kg	Tandembox Antaro 358MC550mm 65kg
Tandembox Antaro 358MC400mm 30kg	Tandembox Antaro 358MC600mm 50kg	Tandembox Antaro 358MC600mm 65kg
Tandembox Antaro 358MC450mm 30kg	Tandembox Antaro 358MC650mm 50kg	Tandembox Antaro 358MC650mm 65kg
Tandembox Antaro 358MC500mm 30kg		
Tandembox Antaro 358MC550mm 30kg		

1. Library Product Listing (Standard Drawers)

4. High fronted pull-out gallery C – M side drawer with frosted design element (BLUMOTION)

Tandembox Antaro 358MCg270mm 30kg	Tandembox Antaro 358MCg450mm 50kg	Tandembox Antaro 358MCg450mm 65kg

2. Purchase and Download Instructions

STEP 1.

How to purchase library products:

Go to www.my3dshop.com.au

- click on the library product
- choose the library method from the drop down list (Manufacture or Designer)
- click add to cart
- click check out and enter contact and billing information and continue to payment method.

STEP 2.

Download

Once you have purchased this product you will be provided a link to download the zipped file. You will also receive a link to the file via your registered email address.

The Zipped file will download into your downloads folder, please move the folder to your 'usr' folder, located on your C:\ drive on your PC. Please create a folder with the following title: C:\usr\my3dshop

3. Terms and Conditions

Conditions of use

By purchasing a Library product from My 3D Shop Pty Ltd you agree to these terms and conditions of use. My 3D Shop Pty Ltd may revise and update these terms and conditions at anytime and without notice.

Libraries in their entirety or otherwise can not be distributed, sold, assigned, transferred or otherwise redistributed either in our original format or as a part of a scene, animation or in any other format from which any original product, or any part of it can be separately exported, extracted, or decompiled into any redistributable form or format.

Library content can be modified in any way in order to conform to your needs, however any such modifications are still derivatives of the original and can not be sold or distributed as your own (whether to be sold separately or packaged/included with any other products/files).

Delivery policy

All products are delivered as access to an electronic file(s) on approval of your order. If for some reason you didn't manage to download the item you can contact us for assistance.

All new libraries will be delivered in the most recent version of PYTHA software. Libraries purchased under one version of the software, may not continue to be fully supported in future releases of the software. We will endeavor to maintain libraries for as long as they may be relevant.

Refund policy

Since My 3D Shop Pty Ltd is offering non-tangible, irrevocable goods we do not issue refunds once the order is accomplished. You are responsible for understanding this upon purchasing any library item. We only make exceptions with this rule on the following reasons:

Irreparable defects, missing files etc.: although the products are thoroughly tested before release, unexpected errors may occur. In this case we may send you a download link with the missing or fixed files or make a refund, at our discretion;

Product not-as-described: a request based on this reason is satisfied on a case by case basis in agreement of both parties concerned.

Requests for a refund are accepted within the period of 1 week after the order is placed. You should accompany this request with detailed and grounded reasons why you apply for a refund.

Copyright

All copyrights belong to My 3D Shop Pty Ltd, none of these rights are assigned or transferred to the end-user. All rights are protected by intellectual property laws, international treaty provisions and other applicable laws.

3. Terms and Conditions - continued

Construction methods (cabinet libraries)

Construction methods used when we build the library items are based on common Australian manufacturing techniques. Your construction methods may vary. You should check the sample construction drawing accompanying each cabinet library before making a purchase. We have made every effort to display the products as accurately as possible.

Refunds will not be made for reason of differing construction methods. You are responsible for understanding this upon purchasing any library item.

Technical Services

My 3D Shop Pty Ltd does not provide technical services relating to use of PYTHA libraries, PYTHA software, or related software. For customers of My 3D Shop Pty Ltd who are located in Australia and New Zealand, implementation and trouble shooting in the use of PYTHA Libraries may be available if you maintain a valid technical services agreement with Pytha Partners Australia.

Notice

Machining settings can change from manufacturer to manufacturer. You are entirely responsible for ensuring that machining settings in each file provided match your machining settings, before you manufacture.

My 3D Shop Pty Ltd makes no representation or warranty or condition of any kind, whether express or implied (either in fact or by operation of law) with respect to the product, including without limitation, with respect to the sufficiency, accuracy or utilisation of, or any information or opinion contained or reflected in, or produced through, any of the product. My 3D Shop Pty Ltd expressly disclaims all warranties or conditions of merchantability or fitness for a particular purpose. The product is provided "as is." The user assumes all risk of use. No officer, director, employee, member, agent, or representative of My 3D Shop Pty Ltd is authorised to make any modification, extension, or addition to this limited warranty.

You agree that My 3D Shop Pty Ltd is not responsible, and shall have no liability to you or your business, with respect to any information, product or service offered on My 3D Shop Pty Ltd.

My 3D Shop Pty Ltd shall not be liable for any damages allegedly sustained arising from use of the information in the files associated with any library purchased.
