

## Reinventing the Hospital Gown

Perfect for CT scans, epidurals,  
bed rest, and so much more!

# Patients Love Our Gowns

## Tamara

I received so many compliments about my gown!  
People couldn't believe it was a hospital gown with  
snaps for IVs and everything!

## Natalie

I wore my Giftgown the whole time, including the 4  
hours I was in the operating room!

# Clinics Love Our Gowns

Thousand Oaks, California

As a new state-of-the-art women's health urgent care clinic, we wanted to ensure a unique, comforting, female-focused experience for all our patients. Giftgowns has helped us set ourselves apart with the **quality** of their product and attention to detail.

We ordered over **100** of the black "My Other Gown is Chanel" Giftgowns, and our patients **love** them! From the comfort of the gown to the whimsy of the print, our patient's love that we've dedicated time and effort towards ensuring a positive experience. In addition, the snaps over the shoulder and down the back allow for seamless exams without compromising patient **comfort**.

If you're looking for an added something special to help set your clinic apart, get Giftgowns instead of standard hospital gowns - your patients will **notice!**
