While Supplies Last.

Zippo Guarantee

Any Zippo pocket lighter, when returned to factory, will be put in first-class mechanical condition free of charge, for we have yet to charge a cent for the repair of a Zippo pocket lighter, regardless of age or condition. The life, however, is not guaranteed. This guarantee gives you specific legal rights and you may also have other rights which vary from state to state. Other Zippo products carry their own specific warranties.
