FireFast® Torch

The torch you won’t want to pass. The FireFast® Torch delivers power and performance when and where you need it, from the kitchen to the workshop to the great outdoors. This durable torch with patented ignition lights easily, burns strongly and can toggle between adjustable soft yellow or blue torch flames. Perfect for fire starting, soldering, heating, melting, thawing or anything in between. For optimal performance, fill with Zippo butane fuel.

40558
$21.95

Variable soft yellow or blue torch flame

Butane refillable

Heats up to 2400°F / 1300°C

Adjustable flame size

Patented child-resistant palm lock ignition
Fire Starting Multi-Tool

One tool to rule the outdoors. The Fire Starting Multi-Tool has everything you need to start your fire, keep it going and conquer any task nature throws at you. Shred tinder and prepare kindling with the onboard tinder grater, knife and saw blades and get it burning with the classic Zippo wheel and flint and fire-starting paracord. And, because you never know when you’ll need them, the included screwdriver and bottle opener add always-needed versatility to your outdoor arsenal.

40549
MSRP $21.95
UOMAP $17.96

Fire Starting Paracord

We’ve combined 550lb cord with a foolproof fire starter to create the Fire Starting Paracord. The paraffin-coated red strand ignites instantly to get your fire started: simply clip off and unravel a short length of the red strand to light kindling in a hurry. Packs easily into your camp kit or emergency bag and can be used as a clothesline, tie-down, boot lace, zipper pull or in countless other situations on your next outdoor adventure.

40493
$12.95

50 foot cord packs
and stores easily

Paraffin-coated thread
ignites with a spark

10 feet of cord = 30 sec. burn time

Includes carabiner **Not intended for climbing or descending

550-lb. tensile strength
Tinder Shreds - 15pc. Bag

Take the struggle out of fire starting. These tinder shreds are water-resistant, easy to carry, quick-lighting, strong-burning and absolutely essential for a hassle-free fire. Re-sealable bag includes 15 pieces.

Mag Strike

Unleash a spark like no other. The ferrocerium rod and striker deliver a shower of sparks to light your fire whenever and wherever you need it. Its textured grip, solid triangular body and ultra-sharp blade allow you to strike with more precision and firepower so you’re never left in the dark.

Fire Starter Combo Kit

Whether you keep one with your camping gear or need it in a pinch, this Fire Starter Combo Kit has the essentials for any scenario. The Mag Strike ferrocerium rod and striker delivers a shower of sparks onto the quick-lighting and water-resistant tinder shreds (five included) for a strong and hassle-free flame. Get your fire roaring with the collapsible manual bellows, which allows you to add just the right amount of air exactly where you need it.
**Emergency Fire Kit**

Designed to save the day, the Emergency Fire Kit comes through when others turn back. Its waterproof, compact and high-caliber construction packs enough punch to overpower bleak conditions and fire up your campsite at a moment’s notice.

- Zippo flint spark wheel
- Durable ABS plastic construction
- Ergonomic design with textured grip
- Molded lanyard hole
- floats in water
- Water proof storage
- Includes fire easy spark tinders

**Typhoon Matches**

Meet your match. The powerful and resilient Typhoon Matches blaze through anything Mother Nature throws at them. Whether packed in your gear or kept on-hand for emergencies, these robust flame sources are easy to strike and designed to defy the elements so you can light your fire in the most severe conditions.

- Burns up to 30 seconds
- Produces hot & intense flame
- Resealable package
- 25 windproof & water-resistant matches
- Includes additional strike pads

**Easy Spark Tinders**

Lightweight, powerful and easy to pack, the Easy Spark Tinders is a foolproof addition to your outdoor arsenal. The unique through-hole design allows flexibility while lighting, giving you greater accuracy in the toughest conditions.

- Burns up to 5 minutes
- Ten wax-coated cotton tinders
- through-hole design
- Ignores with spark or flame

**Typhoon Match Kit**

The Typhoon Match Kit match kit is ready for any adventure. With its heavy-duty construction, waterproof storage and sealed strike pad, you can neatly store and protect the 15 included matches and extra strike pads so you can confidently light your fire in no time.

- Includes 15 typhoon matches
- Durable ABS plastic construction
- Waterproof storage
- Ergonomic design with textured grip
- Includes additional strike pads
- Integrated water-resistant strike pad cap
Flex Neck Utility Lighters

With dual flames, bendable neck and all-metal construction, Flex Neck utility lighters give you the power and versatility to add pinpoint flame in tight spots or stiff winds.

Display
Windproof Lighters

Packaging options are easily identified under each lighter by a one letter code. (P) for peggable blister or (B) for “one box.”

GLOW-IN-THE-DARK
Zippo’s exciting finish gives customers a lighter with an unbeatable cool factor. It only takes a few moments of exposure to bright light to activate the finish’s vibrant green glow.

BUY ONE. PLANT ONE.
Zippo has partnered with WOODCHUCK USA to create wooden laser-cut emblem designs that will help restore and protect the forests of the world. Through the Buy One. Plant One. initiative, a tree is planted for every Zippo x WOODCHUCK USA lighter purchased. Each comes with a unique code that you can use to learn about your tree, its location and the direct impact you’re having on the Earth.

Customization Windproof Lighters

CUSTOMIZATION
Please contact your Zippo Sales Representative for pricing, lead times and ordering details. Customize your style and design today! They can be laser-etched or custom-engraved, making your Zippo® the ultimate brand extension.

[Images of various Zippo® lighters with customization options]
### Accessory Inserts

An insert for any preference. Customers can swap their traditional Zippo Insert with one designed for pipes, cigars or anything in between – or better yet, add them all to their rotation and choose a flame to suit any adventure.

For use with all classic Zippo windproof lighter cases
*Includes Slim and 1935 Replica cases
†Single and Double Torch Butane inserts are also not compatible with Armor® cases

#### Yellow Flame Butane Insert
- Odorless yellow flame
- Reversible flame and outer design

### Zippo Guarantee

For any Zippo product, when returned to our factory, will be put in first-class mechanical condition free of charge. For, if we have not yet charged a service for the repair, we will repair your lighter free of charge at any time, regardless of age or condition. However, if you request a new Zippo, Zippo guarantees it to be a new, unused one. The guarantee gives you the specific legal rights to the warranty which you have other rights under national law. Other Zippo products come with their own specific warranties.
