

# Patricia Ostewig Memorial Scholarship Application

The Patricia Ostewig Memorial Scholarship Program has been established in her name by Fine Line Creative Arts Center after receiving a bequest from her estate. Pat was an enthusiastic educator who taught basket classes at Fine Line and served on the curriculum committee.

Pat, a very talented and gifted teacher, inspired hundreds of students over her professional career. Besides being an art teacher in the Dundee school system, Pat took a number of different classes here. Before long, she was imparting what she learned at Fine Line to her students who simply loved creating under her direction.

This scholarship is to encourage and assist artists in expanding their knowledge and skills through Fine Line classes. A maximum of 2 scholarships per semester will be awarded. Qualifying students can receive no more than one scholarship per calendar year. Anyone, 18 and over, who believes they would benefit by a scholarship to any Fine Line class is encouraged to apply. All applications will remain confidential.
