Kavanagh Gallery

This is your chance to show your work. If you took a class or workshop at Fine Line in 2022 you can be part of Art 2023 at the Kavanagh Gallery. There is no entry fee for this exhibition. Each artist may enter up to three (3) pieces. All pieces entered must have been created in 2022 and relate to a class or workshop you have taken at Fine Line in 2022. You can put your work for sale, or if you are not ready to part with, just list NFS in the price box. Remember Fine Line will take 30% commission on any items sold, so price your work accordingly. All 2-D pieces must be ready to hang. Because of the hanging system we use, you must use a wire hanger (not a metal or saw tooth hanger). Complete the information on this form, cut the last column with the submission numbers and attach a submission number label to each piece to be displayed, making sure the numbers correspond.

These labels are removed prior to display. Bring this form with you when you drop your work off, it must accompany your pieces. Write clearly or use block capitals.
