MARKETING THAT STICKS

www.EQUIPMENTMAGNETS.COM

WHY USE OUR WRAPS ON YOUR MACHINE?

- TRANSFORM YOUR MACHINE INTO THE MAJOR TALKING POINT OF YOUR ESTABLISHMENT.
- It's an easy way to add branding and style to a plain, boring machine.
- Upon removal, our wraps don't leave residue on your machine surface.
- You can apply the wrap yourself or have us apply it at one of our facilities.
- Choose from our stock items or we can custom design one for you.
