The journey that followed is truly something amazing. Off the lanes she is a 4.0 student, member of the National Junior Honor Society, Foreign Language Honor Society, and in 2021 Secretary on the Long Island USBC Youth Committee Board, 2022 Vice President on the Long Island USBC Youth Committee Board, and in her free time participates in Community Service at school and with her local library along with sharing her knowledge of bowling to her peers in helping them better understand the lanes and their game. Kaylie Kurland

16

Littlestown, Pennsylvania

Kaylie is a junior at Littlestown High School, and she has had a passion for bowling ever since she was 3. Her competitive spirit began around age 9, and she has let that spirit guide her to many successes in her youth career. She has a multitude of cashing finishes in the Storm Mid-Atlantic Junior Bowlers Tour, run by Billy Gasn, as well as top 5 finishes in many different tournaments within the Maryland State USBC. When she is not on the lanes, Kaylie is a very strong student with a 4.2 GPA, an active member within the music and theater programs in her school, as well as a member of Student Council, Tri-M Music Honor Society, and National Honor Society. She has started looking into colleges to continue her bowling career after she graduates, and while she is still unsure about what her future plans are, she hopes to bowl in the PWBA Tour once her college bowling career ends.

Keep up the great work on and off lanes Kaylie. Welcome to the Bowl4Life family!

BOWL4LIFE

YOUTH ATHLETE

OF THE MONTH

September 2022

Lindy Dhuse

PRESENTED BY

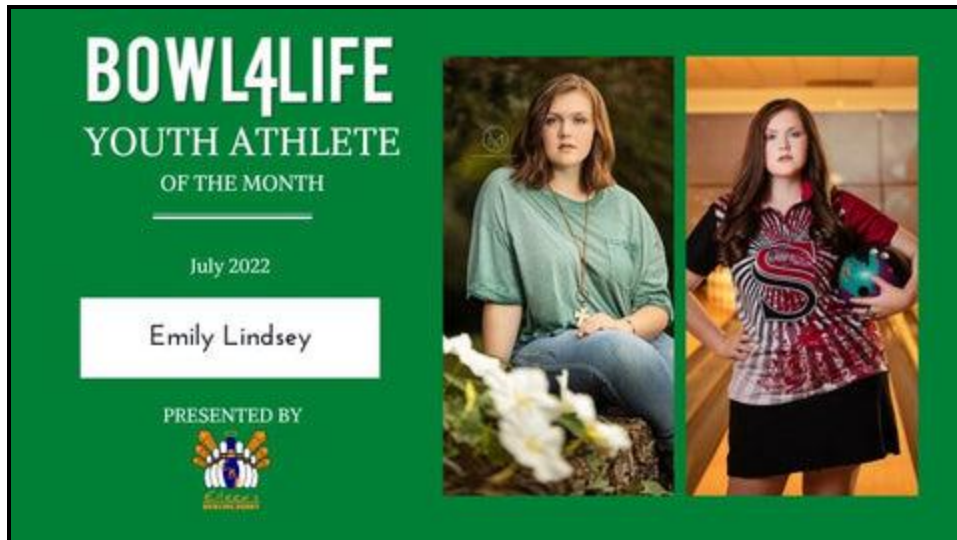

Lindy Dhuse

14

Ottawa, Illinois

Lindy has been bowling for just over two years. She has competed in two Junior Gold championships. After going to a couple of Chuck Gardner's Brunswick Youth Experience seminars, her attitude has changed so much. She understands that while she may not be the greatest bowler on the lanes, she is still striving to have fun and make as many new friends as she can. Her attitude was unbelievable this year. She continues to see improvement in herself. She was so excited to see she averaged 10 pins better this year. She is not always bubbly, but she is consistently working at getting better. As long as she can help put a smile on someone's face she is happy. In just over two years she has accomplished a few honors: winning an MYST tournament and winning the James Bryant scholarship in 2022 from Bowl4life. She also finished 13th in the Illinois Elementary School Association tournament as an individual. Congratulations Lindy! Keep up the great work.

Her team won state last season and is currently undefeated for the fourth year in a row and headed to Regionals in a few weeks and then hopefully on to state again. She has been named Huntsville Bowler of the year twice, been on the all city team 5 years in a row, was 2nd team all state in 2020 and 1st team all state in 2021. She has been nominated twice for the USBC Presidents award and the Huntsville Hall of Fame. Emily has won many tournaments, including Pens4Pins, SSJBA, Roll-X Pepsi Sectionals, City, State, Alabama State Games and RecruitUS. She has also qualified and bowled at Junior Gold the past 4 years. In January, Emily recently bowled her first 2 700's (764,719), has a 211 average in league. She has received multiple offers to bowl in college and signed with the University of Pikeville. March 2022

Congratulations to Sofia Allem the Bowl4Life Eileen's Bowling Buddy March Athlete of the Month!

February 2022

Congratulations to Ellie Kate Murray the Bowl4Life Eileen's Bowling Buddy February Athlete of the Month!

Age: 7

Location: Orlando, FL

Coach/Home Center: Mike Sealy/Boardwalk Bowl

Ellie Kate is a 7-year-old who loves the sport of bowling. She is the youngest ever to medal in an SYC and has 4 total medals from 2 separate events. At the last SYC she competed in Orlando, she had an accident tripping over a bowling bag. It shattered her

finger which resulted in surgery. She will never fully regain use of that finger and will have multiple surgeries in the future to continue to repair. Just three days post-surgery, she was begging to get back on the lanes, even if she could only throw a 6lb ball one-handed even though she typically throws a 12lb ball two-handed. She worked hard to be able to compete one-handed during her recovery time and even competed in a few events one-handed. Then seven weeks post-surgery, she was brave enough to attempt two-handed again! She is getting stronger every day and she is getting ready for Junior Gold this summer.
