## **About The Bowl4Life Foundation:**

The Bowl4Life Foundation is a non-profit organization formed in 2013 by our founder Chuck Gardner. The goal of the Bowl4Life Scholarship Foundation is to quite simply grow the sport of bowling and to assist people of all ages to improve their skill level and knowledge of the game. The Foundation has been able to award thousands of dollars in scholarship monies. Through consistent and innovative fundraising efforts our hope is to expand the #growbowling concept into an industry leading revival.

## **About This Specific Scholarship:**

This scholarship was named in honor of Rex Byron the inventor of Eileen's Bowling Buddy, a skill trainer tool set for both bowlers and coaches. His patented products are hand-made in their Florida manufacturing shop and he has donated hundreds of thousands of dollars into his dream of making Eileen's Bowling Buddy a household name. Rex worked tirelessly to coach bowlers of all ages with his inventions and truly believed the juniors are our future. He wished for coaches to have the tools they required to coach properly. Rex was called to the bowling center in the sky in 2017. The bowling world will truly miss him. We honor Rex and his wife Sandy with this Scholarship.
