

# PLAY MAT ASSEMBLY

The below guide can be used for the **Fawn**, **Starlight**, **Emile** and **Nalla** play mats. Additional instructions for these styles can be found [here](#).

Let's put it together! Start by removing all of the edge pieces from your tiles and set them aside. On the back of each play mat tile, you'll see the letter A, B, C or D. **Before you put the tiles together**, lay all your tiles out upside down using the guide below. Then flip each tile over and connect them. Attach the edge pieces last.
