

ADA PLAY MAT ASSEMBLY

The Ada Play Mat features a hand painted block printing technique to create a textured look that can be assembled in endless arrangements. You can even mix & match multiple colors together! You can use this guide as a reference, but there's no wrong way to put Ada together.

Instructions

- Lay all of the tiles down in your desired space
- Rotate the tiles to your desired direction, alternating tiles with round and square shapes.
- Once satisfied, connect the tiles together
- Connect your four corner edge pieces first, and remaining straight edge pieces last

CORNER EDGE PIECE

Has a rounded corner on one end.

STRAIGHT EDGE

Does not have a rounded corner on either end.
