MEET OUR HAPPY CLIENTS

We use The Cravory Cookies for client gifts, event swag, and sometimes we order them to our office just because we can't get enough! When we are on the road at events, we always engage in debates on which cookie is the best and describe Cravory as our favorite cookie place across the street from our San Diego office. Their customer service is extraordinary and they feel like an extension of our team. We appreciate Collin and the whole Cravory team so much.

Wonderist Agency - Partnership Manager

We have been sending out branded cookies to our clients for over 6 years as part of our mortgage process, and we get so many compliments and thank you's from the clients thanks to the cookies! The quality just keeps getting better, the ordering process couldn't be easier, and the personalization The Cravory offers is the perfect extra touch. Plus, we love supporting small, local businesses like The Cravory! We won't use anyone else for our cookie gifts!

WHO IS THE CRAVORY?

The Cravory was first founded in 2009 in Point Loma, San Diego, by two entrepreneurs looking to add a little character to everyday cookies.

What started as a simple experiment at Farmer Markets turned into something so much bigger, forever changing the possibilities of what a cookie could be.

We believe that every person deserves the ultimate cookie delivery experience. Whether you're choosing to send multiple cookies for the holidays, birthdays, or as a simple 'thank you,' you've come to the right place.

Each of our mixes offer unique cookies made with the finest ingredients sourced from around the world. Made to order and shipped within 24 hours, they're an easy (and delicious) gift for anyone.
