

# Magnetic Cable

## PACKAGE CONTENT

1 x Magnetic Charging Cable

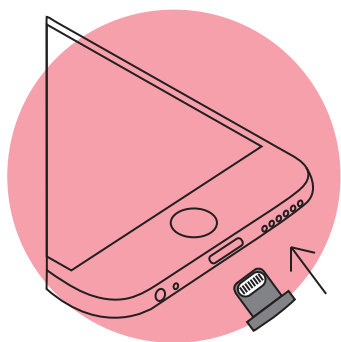

1 x Magnetic connector

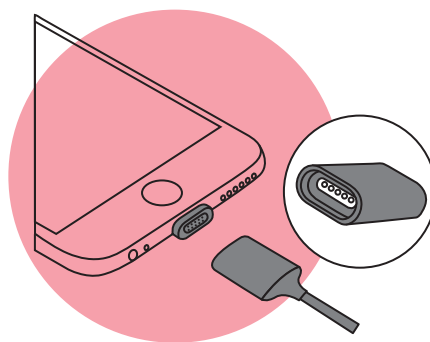

## HOW TO USE

**1** MATCH THE SIZE AND PLUG IN THE CONNECTOR TO THE CHARGING PORT OF YOUR PHONE.

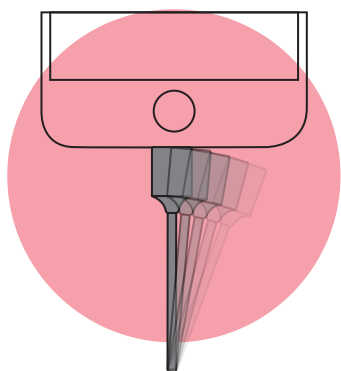

**2** POSITION THE CABLE CLOSE TO THE CONNECTOR.

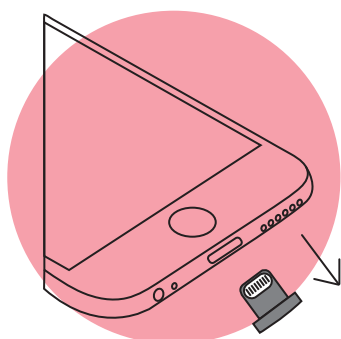

## HOW TO REMOVE THE CABLE ONLY

Rock the cable to the side to remove the cable only.

## HOW TO REMOVE THE CONNECTOR

Pull the cable straight out. The magnetic hold between the two pieces will help remove the connector from your phone.

To prevent damage and ensure continued enjoyment of your Phonebibi product, please review the installation video and check the user manual before using the product. Failure to observe these precautions could result in damage to the product. Phonebibi will not be held liable for any damages resulting from the use of this product.
