Architectures de papiers

PROCÉDÉS CHÉNEL INTERNATIONAL est une équipe jeune qui bénéficie de racines professionnelles profondes plus que centenaires. Elle est spécialisée dans la création, le développement et la distribution de matériels et techniques destinés aux concepteurs d'expositions, de l'événementiel et de l'architecture intérieure.

Engagée depuis de nombreuses années dans un processus d'amélioration constante, tant au niveau sociétal qu'environnemental, PROCÉDÉS CHÉNEL INTERNATIONAL est à même de vous offrir des solutions plus responsables pour vos projets.

PROCÉDÉS CHÉNEL INTERNATIONAL: a young, creative and dynamic team helping designers since 1896 with worldwide development, production and distribution of decorative solutions technologies and materials. Our inspirational range of products is ideal for creative designers to conceive trade or domestic exhibition stands, events, interior architecture...

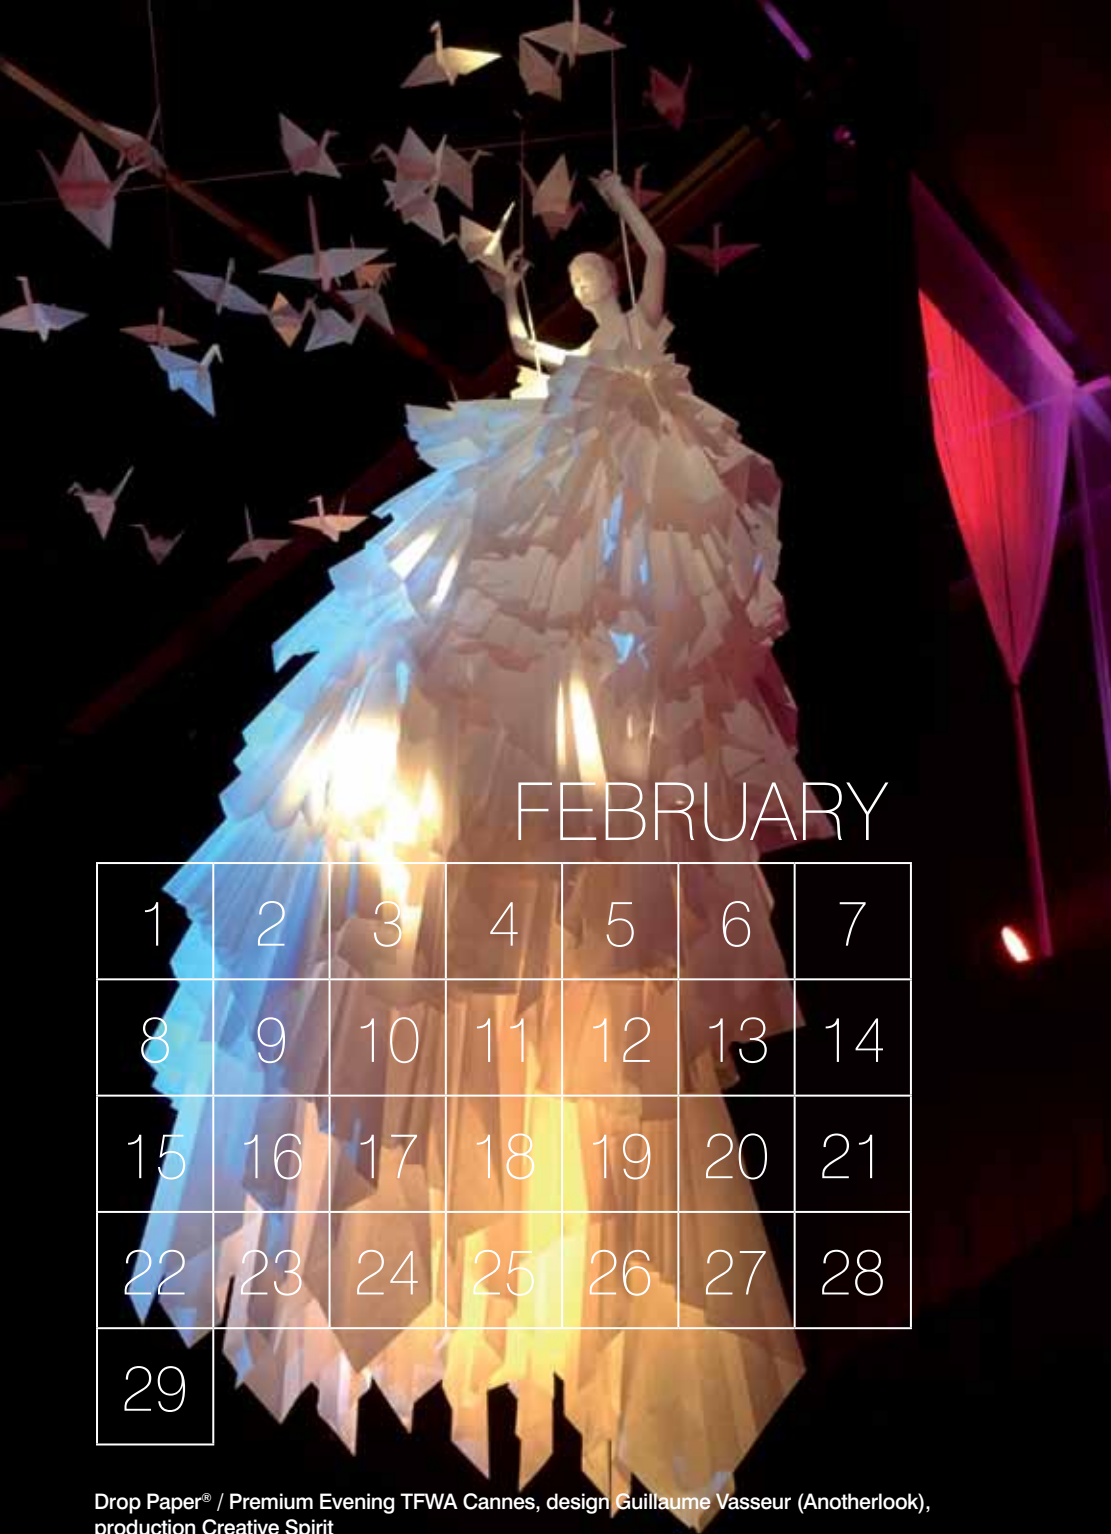

Committed for years in an always improving process on societal as well as environmental levels, PROCÉDÉS CHÉNEL INTERNATIONAL is able to offer you more responsible solutions for your projects.
