Thank you for selecting this Bible study for your child and/or class. Leading children to read, observe, interpret, and apply the Bible for themselves offers them a bridge from hearsay to real truth. As they learn to be comfortable with the idea that they can read the Bible, they will take the task seriously.

The Discover 4 Yourself series is designed to lead young students through the process of inductive study: question, question, question, search, think, understand, and apply. They will be comfortable with this process only after you prove that the possibility is within their reach.

FAST-FORWARD TO THE FUTURE is a study of Daniel 7–12. Students will begin with an overview of selected chapters from Daniel to discover the truth God gave him. Daniel’s visions include four beasts that come up out of the sea to represent four kingdoms. This sounds like science fiction, but it is the infallible inerrant word God uses to warn His people of things to come. Imagine a little horn with eyes like a man and a mouth full of boastful words! You will discover again how God’s purposes encompass every event in life.

To prepare for leading FAST-FORWARD TO THE FUTURE please work through each “Day” on your own before consulting the Teacher Guide. Since this is an Inductive Bible Study, your teaching will be more effective if you do the work first and God reveals His truth to you.

Whether you’re homeschooling a child, teaching a Sunday school class, teaching in a Christian school, or simply using these studies for your child’s quiet time or family Bible study, this Teacher Guide will show you how to clearly and carefully lead each child through Inductive Bible study. We offer suggestions to guide you step-by-step. Instructional Strategies explains why certain activities are used throughout the book. Choose the activities that best fit your situation.

Homeschooling Parents and Family Bible Study

We suggest you do one “Day” per day unless it’s too much for your child’s reading and/or writing skills. You can work with your child and discuss what you learn together or let him/her work independently, saving discussion times for later.

You may want to join or create a homeschool group that meets once a week to do these studies. The teacher will assign a week of homework in class. The following week the teacher will lead the students to discuss what they discovered, how to apply it, and to work on any creative elements included in the study or play a game to review what they have learned.
Fast forward to Daniel 5.

Daniel 5:28 To WHOM is Belshazzar’s kingdom given? **The Medes and the Persians**

Back to Daniel 2

15 Turn to page 18 and color the second part of the statue. The head of gold has fallen.

16 Write “**Silver: Inferior kingdom, kingdom of Medes and Persians**” in the space next to the breast and arms.

Daniel 2:32 WHAT is the third part of the statue? Its belly and its thighs of bronze

Daniel 2:39 WHAT do you learn about the third kingdom? A kingdom of bronze, which will rule over all the earth

17 Turn to page 18 and color the third part of the statue.

18 Write “**Bronze: Kingdom will rule over all the earth**” in the space next to the belly and thighs of bronze.

Daniel 2:33 WHAT is the fourth part of the statue? Its legs of iron, its feet partly of iron and partly of clay

Do you remember WHAT kingdom this is? Pull out your Bible and fast-forward over to Daniel 5:28. Remember, this hasn’t happened at the time of Nebuchadnezzar’s dream. In Daniel 5 we see that this is the time when Belshazzar is king of Babylon. To WHOM does it say Belshazzar’s kingdom is given?

The _______ Medes and the _______ Persians

Darius the Mede takes over the kingdom of Babylon in Daniel 5:30-31. The head of gold falls, and now the Medes and Persians are in control.

Turn to page 18. Color the second part of the statue. Write in the space next to the breast and arms of silver “**Silver: Inferior kingdom, kingdom of Medes and Persians**.”

Daniel 2:32 WHAT is the third part of the statue?
 Its ______ belly and its ______ thighs of ______ bronze.

Daniel 2:39 WHAT do you learn about the third kingdom?
 A kingdom of ______ bronze, which will ______ rule over all the ______ earth.

Turn to page 18. Color the third part of the statue. Write in the space next to the belly and thighs of bronze “**Bronze: Kingdom will rule over all the earth**.”

At this time we don’t know who this third kingdom is, but we will someday.

Daniel 2:33 WHAT is the fourth part of the statue?
 Its ______ legs of ______ iron, its ______ feet partly of ______ iron and partly of ______ clay.
Read Daniel 7:19–28 aloud as students follow along marking key words as your students call them out.

Optional Games

Drawing Game

To play the Drawing Game you will need to type out what you want the kids to draw such as a part of the statue, the beasts, people, or events in Daniel on a piece of paper and cut them out individually.

Fold each slip of paper and place it in a zip-loc bag or a bowl.

Divide your class into two teams.

Have a child from Team 1 come up to the front of the class and draw out a slip of paper out of the bag. After he or she has picked out a part of the statue, a beast, person, or an event they will draw a sketch to depict what they have chosen on the whiteboard. Both teams watch as the child draws their sketch. When a child from either team thinks they know what is being drawn they may raise their hand and you call on the child whose hand you see first. It can be a child from either team. If the answer is not guessed continue letting them guess until someone guesses the correct answer.

When the answer is guessed correctly, the team who answered the question receives 100 points for their team. Then, the teacher asks the student who guessed the drawing correctly a question that goes with that drawing. For example, if they were drawing “the head of gold,” the teacher might ask, “WHAT kingdom does the head of gold represent?” If the student answers the question correctly they receive another 100 points for their team for a total of 200 points. If they answer incorrectly, someone from the other team gets a chance to answer the question and receive 100 points for their team, with each team receiving 100 points.

After the points are given, it’s Team 2’s turn to pick a slip of paper out of the bag and draw the next beast, person, or event. Go back and forth with each team until each paper is picked and drawn on the whiteboard. You may want to reward the winning team with a treat like a small piece of candy or a privilege.
