COMPACT AND POWERFUL

The Predator 14 captures the dirt and debris traditional mops leave behind. The ergonomic, adjustable handle reduces worker fatigue and safety issues are minimized with cord-free operation eliminating the concern of cords stretched across rooms. The Predator 14 is ideal for confined or small to medium-sized areas in restaurants, small retailers, schools, medical facilities and much more.

Collapsible handle for easy storage

Easy access to motor and battery

Easy-to-use controls at your fingertips

14" cleaning path fits easily down narrow, crowded aisles and the multi-position handle makes getting under counters, tables and desks a breeze

Power and versatility in a compact machine
