

BIOME-XYM™

Broad Spectrum Probiotic

Biome-xym™ is a blend of 12 broad spectrum probiotic strains that originate from 5 different genera to promote maximum biodiversity throughout the G.I. tract. Biome-xym™ contains LactoStim®, a patented prebiotic that re-hydrates and stimulates probiotic cells.*

- ▶ Probiotics are safe and beneficial microorganisms that support proper digestive and immune functions.*
- ▶ Biome-xym is delivered to the lower intestinal tract via delayed release, acid resistant capsules.
- ▶ Contains 50 billion CFU that exert a powerful balancing effect on the body's microbiome.*
- ▶ Biome-xym may help with nutrient absorption and waste elimination, leading to increased energy levels.*
- ▶ Free of fillers, artificial colors, flavors, and preservatives.
- ▶ This product does not require refrigeration.

SUGGESTED USE: Take 2 capsules on an empty stomach at bedtime with 8 ounces of water. Separate by 3 hours when taking with antibiotics.
