

DIGESTXYM+™

Digestive Enzyme Blend

Digestxym+™ is a blend of 23 high potency, full-spectrum, plant-based enzymes in a proprietary mineral base, that support the digestion and absorption of the various food groups.*

- ▶ As a stronger version of the regular Digestxym, it is perfect for larger individuals or those needing higher levels of enzymatic support.
- ▶ Contains AstraZyme®, which increases the effects of the enzyme actions by assisting protein digestion and absorbing peptides and amino acids faster and more completely.
- ▶ Can help ease occasional gas and bloating from certain foods.*
- ▶ Supports the immune system and may help increase energy levels.*
- ▶ Free of fillers, artificial colors, flavors, and preservatives.

SUGGESTED USE: Take 1 capsule with a glass of water at the beginning of each meal.
