

IMMUNOXYM

Targeted Nutritional Supplement

TOMORROW'S
NUTRITION **PRO**

ImmunoxyM is a proprietary blend of probiotics, vitamins, enzymes and other key nutrients that support immune health and specifically, T-regulatory cell activity. It is important to keep T-regulatory cells functioning in their optimal state. ImmunoxyM is designed to support this role of the immune system.*

- ▶ Three proven probiotic strains support immune and gastrointestinal health.*
- ▶ Provides over 200% DV of Vitamins A, D3, and K2.
- ▶ Contains 600 mg of Alpha Lipoic Acid for anti-oxidant support.*
- ▶ Delivers 200mg of Sunphenon®, a branded green tea extract to support metabolism and healthy cellular function.*
- ▶ Includes AstraZyme® to enhance enzyme actions by assisting protein digestion and absorbing peptides and amino acids faster and more completely.*
- ▶ This product is Non-GMO, Gluten-Free, and free of fillers, artificial colors, flavors and preservatives.
