*The Ultimate Body Guard Against EMF/EMR for full protection no matter where you are!*

The **HEDRON Body Shield**, when kept in personal possession, protects the user against the onslaught of the dreaded **Electro Magnetic Radiation** emanating from the use of Mobile/Cellular Phones, Cordless Telephones, Laptop/Notebook Computers, Desktop Computers, WiFi, TVs, Refrigerators, Air Conditioners, Microwave Ovens, Electric Blenders and the like, as well as High Tension Electrical Wires, Cell Phone Towers, and countless other sources. The **HEDRON Body Shield** is also tested to protect the user against the increasingly harmful effects of **Geopathic Stress**, which has been proven to be a major source for health imbalance leading to disease.

The **HEDRON Body Shield** ensures complete Body Shielding against dangers of Electro Magnetic Frequencies (EMF) and Geopathic Stress by forming an EMF/EMR Harmonizing "**FORCE FIELD**" around the human body. Creating for you, your own personal **EMF FREE ZONE**.

The **HEDRON Body Shield** incorporates the same technology as the Patented HEDRON Cell Phone Harmonizer, with the added benefit of premium **SHUNGITE**, an ancient mineral with the natural ability to form a protective ring around the human body, strengthening the BioField. Shungite is also the only natural material known to contain "**Fullerenes**" which are powerful anti-oxidants (claiming the Nobel Prize for Chemistry in the year 1985). The **HEDRON Body Shield** is also permanently impregnated with 7.83 Hz

(**Schumann Resonance**), the most beneficial life frequency. The range of protection is roughly 2-3 feet around the body depending on body size. It is designed to be kept in a pocket or purse.

Electronics have become an integral part of humanity. Now, we can continue to enjoy them without harming the body in the process. There is no escape from the invasion of Electro Magnetic Radiation emanating from our much needed gadgets and electricity. It is time to ensure our protection from the countless health imbalances being encountered on a continuous basis.

The **HEDRON Body Shield** is the World's most powerful and effective shield against EMF/EMR. It is time to protect yourself and your children, and finally enjoy our increasingly electronic society with peace of mind.

**IMPORTANT NOTE: Because of the added Shungite mineral, The HEDRON Body Shield should be placed directly on the earth for approximately 5 minutes once each month, for effective grounding of the accumulated EMF, and optimal continued functioning of the Shield.**

**DON'T ALLOW YOUR BODY TO BE BOMBARDED BY DREADED ELECTRO MAGNETIC RADIATION. USE HEDRON.**
